

Flesh, Blood and Faith

White Skull

You can be a better man
and even smile sometime
'cause when you're angry you get tough
you can hurt and beat deep inside
and I can't forget that night
you were baying... frothing
and I couldn't breath
You, you say, you'd been lost in your way
and you got no preach
to tell you where you're staying
on your knees do you try to get in touch
with your God
oro are you trolloping around ?
What you're gonna do ...
What you're gonna do !
