## The Train

Have you ever seen my train ? It's running always fast Have you ever heard my train It's calling all of us, all of us. Oh do you feel the train ? Do you feel my train It's taking all of us Whereever you want to go What do you feel What do you like What do you want What you fear Cowboy don't you shoot Indian don't you plot I want to leave it all We are leaving from here now It's flying flying flying flying flying flyiiiing The big wall !!!
