

# Live Free or Die

White Wizzard

Rock on! Live free! Or die!

Patriots of freedoms fight  
We the people shining the light  
Illuminate our dreams in neon nights

Free to be who you want to be  
From sea to shining sea  
United in truth and destiny

Rock on and live to fly free  
And you'll be...

OH.....  
Fly high - High in the sky  
Live Free or Die!!  
YEAH!  
Live Free or Die

Fly the flag and fly it proud  
Scream for freedom - Shout it out loud!  
We are the keepers of the dream

Land of the brave - Home of the free  
The light of lady liberty  
A beacon of hope and unity
