

# Voyage of the Wolf Raiders

White Wizzard

Oh father where art thou soul  
Was it left on the battlefield...  
Awash in deadly waves  
A soldier's fate was sealed  
Oh lord where is your light  
Would you shine it for me to see?  
To men who died on front lines  
We owe our freedom eternally

Fearless  
God willing they sail away  
To fight for a better day

Giving life for freedom for all that live  
And die in the USA

Marching into fire  
Eagle soaring higher

They  
Set out  
To fight  
For truth  
God speed will see the raiders through

Brothers  
Taking an oath to fight  
For what they know is right  
The gods hold candles for them  
Burning flames on horizons so bright

They shall stand tall and rise  
Bringing freedom for all  
Stoking the flame and guiding with its light  
Burning liberty through the darkest night

The sun will guide them home  
The sun will guide them home  
As they march out of the fire  
Blood-soaked fists raised high

Bullets fly  
Exploding sky

Freedom forever  
Never surrender  
America - still stands strong  
Red, white and blue  
Standing so true  
All as one - under the sun  
To those that died  
Standing with pride  
Never forget - blood of heroes  
Band of brothers  
Marines to the death  
You left it all - on the killing fields
