

# Amazing Love

Whitecross

My friend told me I got such nerve  
Will I ever get what I deserve?  
He said that I was no naďve  
If I thought God's love was really free.

Oh what an amazing love  
So much more than just enough  
I found an amazing love,  
Can't believe how it lifts me up

My friend was working overtime  
He believed it was more of an uphill climb  
Why did he try to undermine  
He should have took to heart the bottom line.

Oh what an amazing love  
So much more than just enough  
I found an amazing love,  
Can't believe how it lifts me up

Why do we hate? Why do we kill?  
Why do we meet God in our games like angry children playing kin  
g of the hill?  
Why do we lie? Why do we cheat?  
Why do we make excuses? Dish it out for others to eat?
