I found that just when I feel all alone

E

With nothing to really call my own

Emi

All my friends have left me stranded

H

F#

And they've let me down, down on the ground

H

H7

I found a hope that never fades (places) away

E

No matter if it's night or day

Emi

I can't always count on him

H

F#

I know He'll always be, be there for me

Can't say what tomorrow brings but still

H

I know You're mine

And now that I found you I'm satisfied

E

Never believed that at the time

Emi

You could love someone like me

H

F#

So lost in so much sin, You'll still let me in

H

H7

And as we blaze on down the track of life

E

I'm so amazed, just at the sight

Emi

Of all that You have waiting for me

H

F#

In Your hands... the Father's plan
