Whitecross

AmiG Ami

Ami F G Dmi Ami
Through the fields of soul a river runs concealed

F G
As cold as any bone

Ami F G Dmi Ami
Twist and curve it wraps the root of every nerve

F G
And it numbs it like a stone

And it dulls the senses
And it drowns defenses

Outside in, it turns and it twists beneath the skin
C D

Ami F G E F
Deep inside if I resolve to do what's right

C E

Beneath this house the water flows and hollows out
Foundations I have laid
Shake and fall, the river undermines the walls

Like a bad injection
Every good intention
Is affected by the fall

Outside in, it turns and it twists beneath the skin
The river of my sin
Deep inside if I resolve to do what's right
That river's starts to rise, it starts to rise again

Emi D

Emi D

Emi D

Emi D A
Gonna take a full crucifixion

Outside in, it turns and it...
