

Dog

Whitesnake

The moon is full & shining bright
I'm begging you, Baby
Let me stay the night
I'll keep you warm & satisfied
Open up, Baby let me come inside

I wanna be your dog

You got the love I need so much
The kind of skin I love to touch
I'll never leave you sad & blue
I just wanna make love to you

I wanna be your dog
Wanna be your dog
I'm gonna howl for you, Baby

I don't care what people say
I'm gonna keep on howling
Til my dying day
Loving you ain't no sin
I'm gonna keep on howling
Til you let me in

I wanna be your dog
I wanna be your dog
I'm gonna howl for you, Baby

I wanna be your dog

Hear me howl
