

# Love Will Set You Free

Whitesnake

Something in your smile was so inviting  
Something in your eyes told me to stay  
Something in your touch electrified me  
Completing me in every single way

Now I realise, as I look in your eyes  
This must be love  
Baby, try to understand, my heart is your hand

Love will set you free  
Love will set you free  
You can trust in me  
My love will set you free  
Set you free

Every time I think about you, baby  
Every time I see your smiling face  
Every time I feel your loving arms around me  
Guilty pleasures take up all my time and space

Now I realise, as I look in your eyes  
This must be love  
Baby, try to understand, my heart is your hand

Love will set you free  
Love will set you free  
You can trust in me  
My love will set you free  
Set you free  
Set you free, set you free

Now I realise, as I look in your eyes  
This must be love  
Baby, try to understand, my heart is your hand

Love will set you free  
Love will set you free  
You can trust in me  
My love will set you free  
Set you free, set you free
