

# Rock An' Roll Angels

Whitesnake

I'm gonna tell you  
What is all about,  
Why I scream an' I shout for you  
I've been an' travelled  
All around the world,  
Teasin' lottsa pretty girls like you

Oh, I feel my heart beating heavy,  
Banging like a big bass drum  
An' all you blue jeans queens  
Know exactly where I'm coming from,  
I'm looking for some

Rock an' roll, rock an' roll,  
Rock an' roll angels  
Rock an' roll, rock an' roll,  
Rock an' roll angels

I can't hide what I feel inside  
Tho' I've tried an' I've tried  
I can't fake it  
I get in trouble everywhere I go,  
'Cos I can't say no,  
I gotta shake it

Oh, I feel my heart beating heavy,  
Banging like a big bass drum  
An' all you blue jeans queens  
Know exactly where I'm coming from,  
I'm looking for some

Rock an' roll, rock an' roll,  
Rock an' roll angels  
Rock an' roll, rock an' roll,  
Rock an' roll angels

I feel my heart beating heavy,  
Banging like a big bass drum  
An' all you blue jeans queens  
Know exactly where I'm coming from,  
I'm looking for some

Rock an' roll, rock an' roll,  
Rock an' roll angels...
