

Sailing Ships

Whitesnake

Do you remember
Standing on the shore,
Head in the clouds,
Your pockets filled with dreams
Bound for glory
On the seven seas of life,
But, the ocean is deeper than it seems

The wind was with you
When you left on the morning tide,
You set your sail for an island in the sun,
On the horizon, dark clouds up ahead,
For the storm has just begun

Take me with you,
Take me far away,
Lead me to the distant shore

Sail your ship across the water,
Spread your wings across the sky
Take the time to see
You're the one who holds the key,
Or sailing ships will pass you by

You cry for mercy,
When you think you've lost your way,
You drift alone, if all your hope is gone
So find the strength and you will see
You control, your destiny,
After all is said and done

So take me with you,
Take me far away,
An' lead me to the distant shore

Sail your ship across the water,
Spread your wings across the sky
Take the time to see
You're the one who holds the key,
Or sailing ships will pass,
Sailing ships will pass you,
Sailing ships will pass you by...

Take me with you,
Take me far away,
We'll ride the wind across the sky
Spread your wings and you will see
You control, your destiny,
So sailing ships don't pass you by

So take me with you,
Take me far away,
We'll ride the wind across the sky
Spread your wings and you will see
You control, your destiny,
So sailing ships don't pass,
So sailing ships don't pass you,

So sailing ships don't pass you by...

Baby, baby, baby, baby,
You'll find that you're the only one
Can sail your ship across the sky
