

# Told Ya

Whitney Duncan

Here you come walking in  
With that cocky strut and your stupid grin  
Acting like you own this place  
Scan the crowd, you see me  
Double take 'cause you can't believe  
I'm here with a smile on my face  
But I am and I'm havin' me a good time  
Remember what I said when you said goodbye

I told you  
I wouldn't be home sittin' alone, cryin' over you  
I warned you  
You're gonna miss all of this  
My smile, my eyes, my feel, my kiss  
Don't act surprised to see me tonight  
Lookin' fine like I do  
I told you  
I told you, told you, told you, told you

Yes I'm here with someone  
You said you were movin' on  
So I'm movin' right along too  
So what's wrong, what did you expect  
Did you think you were all I could get  
Well honey I got news for you  
Life's too short to worry 'bout  
Why some things just don't work out

I told you  
I wouldn't be home sittin' alone, cryin' over you  
I warned you  
You're gonna miss all of this  
My smile, my eyes, my feel, my kiss  
Don't act surprised to see me tonight  
Lookin' fine like I do  
I told you  
Oh yeah, I told you, told you, told you, told you  
Yes I did

You made your choice  
There's no going back  
Now you just want what you can't have  
And that's too bad

I told you  
I wouldn't be home sittin' alone, cryin' over you  
I warned you  
You're gonna miss all of this  
My smile, my eyes, my feel, my kiss  
Don't act surprised to see me tonight  
Lookin' fine like I do  
I told you  
Oh yeah, I told you, told you, told you, told you  
I told you  
I told you, told you, told you, told you

My smile, my eyes, my feel, my kiss

Boy I know I bet you miss  
Every single bit of this  
Oh, but I told you  
Yeah  
I told you
