Ain't Life Grand

Widespread Panic

Watching people roll by Wonder where they're going Hey, what's your job? What're you knowing?

Driving to the grocery store Pull my money out Passing by the liquor store Throw my money down

Ain't life grand Ain't life grand

My wife's got the blues Now I've got them Gonna bring her a kiss Make those blues run

Ain't life grand Ain't life grand

The sun came out the other day Through those dusty clouds And in my mind I was a child And it felt good!

Ain't life grand Ain't life grand Ain't life grand Ain't life grand
