

Japanese Alice

Wild Nothing

In false perfection
The blood forgotten
Wrapped up in a smoking cold
Adrift in adaptation
I ring the warning bell
In the tower of my mind
I see the teenage temple
Their faces soft and melted

Tokyo calling, masked in rain (ooh ooh ooh ooh ooh ooh)
Frozen within me, frozen forever (ooh ooh ooh ooh ooh ooh)
The wax museum, uncanny valley (ooh ooh ooh ooh ooh ooh)
Maybe unstable, maybe Miss Everything, oh

Japanese Alice
In a Claude print dress

Ticking to her heartbeat
Someday I won't remember you
Enchanted wool heart
Reaching towards heaven
In the basement below the store
She sings for no one else

Tokyo calling, masked in rain (ooh ooh ooh ooh ooh ooh)
Frozen within me, frozen forever (ooh ooh ooh ooh ooh ooh)
The wax museum, uncanny valley (ooh ooh ooh ooh ooh ooh)
Maybe unstable, maybe Miss Everything, oh

Then send me home
Then send me home
