

Lady Blue

Wild Nothing

Wonderland of holy water
Another drink another dollar
Hand in hand
A sleeping skin
The man with no face
I bit my tongue
Now can you tell me if my cup is full?

Will I find a way
To make sense of the way that you love me?
Will I find a way
To repay you for all that you've done for me?

Lady Blue
Lady in tears
Can we start, start to change with each one ourselves?
You can't be sad for everyone
Another taste, another question
Hand in hand

Will I find a way
To make sense of the way that you love me?

Will I find a way
To repay you for all that you've done for me?

Will I find a way
To make sense of the way that you love me?
Will I find a way
To repay you for all that you've done for me?

I wait
Can you wait forever, girl?
I can wait
I wait
Can you wait for
I wait
Can you wait forever, girl?
I can wait
I wait
Can you wait for
I wait
Can you wait forever, girl?
I can wait
I wait
Can you wait for
I wait
Can you wait forever, girl?
I can wait
I wait
Can you wait for
