

Only Heather

Wild Nothing

Best in the room I'd ever been
She has got something that I've never known
Couldn't explain it, I wouldn't even try
She is so lovely she makes me feel high

'Cause Only heather
Only Heather
Only Heather
Only Heather
Can make feel this way

Misunderstood yet she's good I can tell
Everyone tells me I'm under her spell
I'd never leave her, don't know ideal
Better to fade then to learn her for real

'Cause Only Heather,
Only Heather
Only Heather
Only Heather
Can make me feel this way
Can make me feel this way
Can make me feel this way
Can make me feel this way
