

## Take Me In

Wild Nothing

Are your fingers cold?  
Invite me inside  
Is your coat hung up?  
No where to hide

Take me in  
Just take me in now

Are your fingers cold?  
Invite me inside  
Is your coat hung up?  
No where to hide

Take me in  
Just take me in now  
Take me in  
Just take me in now
