

## To Know You

Wild Nothing

Look away, you paint me in  
Sometimes I grow bolder  
Funny how the moment comes  
Closer still to know you

So you gave a quiet light  
My one chance at order  
I won't toss your way aside  
For any corner of the world

There is no answer to the question

We are in mutual possession  
This is the circle that we live in  
These are the people that we've been
