

# You're No Good (But I Like It)

Wild Orchid

Don't worry about me, don't worry about you  
Cuz everything you do, boy I've done too  
Don't worry about me, don't worry about you  
Cuz everything you do, boy I've done too

A little bit of Heaven, and a little bit of Hell  
You know the words to say and you say it well  
I know your little secret, I know your little lie  
So go on tell me I'll believe your alibi.

You set the stage and you're playing a part,  
But I've always known who you really are.  
So intellectual

Chorus:  
You're no good  
You're no good  
You're no good  
Baby, you're no good

I'm gonna say it again  
You're no good  
You're no good  
You're no good

Baby, you're no good, but I like it

A little bit of torture, a little bit of peace  
And your demeanor covers your real need  
I hear your little whisper, I hear your little sigh  
But are you bored with all those social butterflies

I'll give my life, just lay in the dark  
Cuz I've always known who you really are  
So intellectual  
You're no good  
You're no good  
You're no good  
Baby, you're no good

I'm gonna say it again  
You're no good  
You're no good  
You're no good

Baby, you're no good, but I like it

I know it's wrong, it feels so right  
This candle burns without a light  
The fire feeds my hunger for your open door  
And just a little more  
You're no good  
You're no good  
You're no good  
Baby, you're no good

I'm gonna say it again

You're no good  
You're no good  
You're no good

Baby, you're no good, but I like it
