

Ocean, hear my complain,  
Greet me my friend!  
Didn't let this awful place by my grave...  
Thus began my journey.  
Ocean, share your freedom,  
You're my new home.  
Now I can survey the timeless tides!  
Winds have blown my pain away...  
Sail to new horizons,  
Heading to the perfect heaven!  
Seas reveal the chest hidden  
In the depths of our hearts!  
Sail to new horizons,  
Heading to the perfect heaven!  
Seas reveal the chest hidden  
In the depths of our hearts!  
Storm in my brain, as my feels are torn...  
I've let chaos misplaced trust again.  
Smashed on a silver reef,  
Grains of sand caressing my cheeks,  
I had just found what I missed,  
Passing through all these ordeals.  
Bareful discovery,  
Ghosts of past coming back to me,  
Faded by my expectations,  
I stole their salvation.  
Ocean, hear my complain,  
Greet me my friend!  
I have let this awful place be my grave...  
Thus begins my journey!  
Ocean, share your freedom  
You're my new home!  
No, I didn't survey the timeless tides.  
Pain have blown my winds away...  
Sail to new horizons,  
Heading to the perfect heaven!  
Seas reveal the chest hidden  
In the depths of our hearts!  
Sail to new horizons,  
Heading to the perfect heaven!  
Seas reveal the chest hidden  
In the depths of our hearts!  
Sail to new horizons,  
Heading to the perfect heaven!  
Seas reveal the chest hidden  
In the depths of our hearts!  
Sail to new horizons,  
Heading to the perfect heaven!  
Seas reveal the chest hidden  
In the depths of our hearts!
