

I Need to Be

Wiley

I need to be
I need to be
I need to be
Yeah I need to be
I won't pretend i ain't seen your love
But that's a lie baby girl i need to be in your love zone
I need to be
I need to be
I need to be
Yeah I need to be
I won't pretend i ain't seen your love
But that's a lie baby girl, I need to be in your love zone

Yo, I need to be in your love zone
Yeah you need to come to my love home
Make love to you but my name ain't love jones
When we're on our own i got my love and my love flows
