

# My Mistakes

Wiley

My mistakes are made by me  
Your mistakes are made by you  
What ever you do you gotta make it through  
What ever you say you gotta mean it too  
Don't bother say if it ain't true  
That goes for me and that goes for you  
My mistakes are made by me  
Your mistakes are made by you

My mistakes were made by me  
Your mistakes were made by you  
You can't learn from one mistake you'll make two then three  
It don't stop, the future looks bright but it's not  
About' Wot Wot Wot  
You've lost it ya might as well Stop Stop Stop  
But one mistake I made is the reason why it took long for me to get up to the top  
So, now I'm here I'm thinking about me  
For what I'm worth I could make so much P  
Sometimes I think that I shoulda stayed with the same manager  
That I had back in 03, simply cos' Cage knows me  
But I'm glad that I left now I got a whole tree of family emcees in the G-R-I-M-E  
Wiley that's me, Dun' know!

I know I make wrong decisions  
People try telling me but I wont listen  
So stubborn cos no I wont give in  
God, the mistakes I made ya know...  
Man I just thought of livin  
You do what I do but somethin so different  
So I'm just wonderin is it, because I deserve it  
Or is it a way of learning  
Cos I wont learn if I don't live it  
In hindsight...  
I couldnt of got it right the first time  
Cos I was just learning the first time  
So I gotta make sure that I get it right for the next time  
Cos a mistake is only that if you make it twice  
Mistakes that I've made have helped me in life  
I took wrong turns... now I gotta listen and learn  
So I've gotta make things right!

Aight listen, yeah yeah yeah yeah

I've made so much mistakes in my short life  
If your smart you'll learn from mine  
I tell my little bro, stick to your school work, he don't listen he'll learn in time  
And I've seen what you earn from crime  
But my pops there most of his life, inside, so I picked up the mic and turned on grime  
I even learn from grime  
And I'll learn from mistakes when my days done  
You can learn from yours or stay dumb  
Y'all move with a fake buds  
But I gotta be careful I seen what a stray done

Your mistakes were made by you  
And my mistakes were made by me  
But don't try and play like me  
Because you might not have the art to stay like me

Aight were in the studio ya know, look out the window there's 3 skyscrapers  
So that means somethings about to get built up
