

# Numbers In Action

Wiley

Eski Boy A-listed

To get it right I know it's all about timing,  
I reinvent, I'm like a brand new signing,  
I talk about the little ladder we are climbing,  
Music ain't a thing because I know I put the time in,  
If it's an issue then you're gonna need tissue  
Cos your eye balls are waterin' you can stop whining  
Whingin', change what you're thinkin'  
I'm all for, putting the pen to the paper cos I'm an author

I'm never putting an act on, I've done this thing since Shaq at Saxon  
And I'm still a fan of Michael Jackson, but now I want to see numbers in action,  
I wanna see numbers in action  
I wanna see numbers in action  
I wanna see numbers in action  
I wanna see numbers in action

Yo can ya send me what I called for  
Like green sticky yeah the one you might route for  
They say they don't like Wiley  
Talk more  
Because I educate like a tutor  
Musical you see me group one your in group 4  
And you got defeat by the one u need 2 for  
These other spitters ain't hot they are lukewarm  
Have you ever seen a grime spirit in its true form  
Help boy put in a shoe like a shoe horn  
They tell me kick back a little cuz I'm too raw  
I see the fings on your mind and what ya crew saw  
I've got the vision I can open up a new door  
And I'm one of the greatest but my sounds fresh like one of the latest  
I can move floors  
Especially dance ones  
Plus I got hits, chart ones, dual core

I'm never putting an act on, I've done this thing since Shaq at Saxon  
And I'm still a fan of Michael Jackson, but now I want to see numbers in action,  
I wanna see numbers in action  
I wanna see numbers in action  
I wanna see numbers in action  
I wanna see numbers in action

Yeah mugs is what they wanna take you for  
Do I really take the piss I ain't too sure  
People sayin that ma last hits rolex, so I ain't stoppin when I know that I  
can do more  
They're muggin me that's what is sounds like  
I bought the albums, our price sounds right  
I'm so in tune with the sounds gonna sound right  
Two number ones up I'm on a now hype.

I'm never putting an act on, I've done this thing since Shaq at Saxon  
And I'm still a fan of Michael Jackson, but now I want to see numbers in action,  
I wanna see numbers in action

I wanna see numbers in action  
I wanna see numbers in action  
I wanna see numbers in action
