

## Up There

Wiley

Eskey Boy... A listed  
I look at life from a different aspect,  
Vacation I won't be back yet,  
I got plans that I wanna see work,  
so i go ahead full steam with no backstep, (no backstep)  
its true we all want a pay rise,  
its come to my attention when i had long look into the blue not  
grey skies  
paved the way but now ive got to make mine (make mine),  
take time become a little more patient stay aflight,  
bake the cake right,

ima work on what we told different,  
go round the clock no night is a late night,  
im sure of the new balance,  
and ive got more of the new talent,  
you wanna see on your tv till your gonna see them and your gonn  
a see me (your gonna see me)

dont wanna look back (look back)  
im gonna take a forward step (take a forward step)  
i know ive got what it takes to be  
right up there with the best (with the best)
