

Don't Talk To Me Like That

Will Downing

I wish I could be like a statue when you're over here
Stone silent, I'd wait to hear your secrets and understand
Why your words cut so deep, only you can, ohh, talk to me

Don't you talk to me like that
Don't you talk to me like that
Don't you talk to me like that

So clearly I say that I have no strategic reason
This soldier retreats perhaps to fight another day
Swords broken, blows taken, uprise me for seeking, yeah

Don't you talk to me like that
Don't you talk to me like that
Don't you talk to me like that
Don't you talk to me

I yield to you emotionally, yes baby
Raise my shield to you, it's your victory
Swords broken, words taken, I'm shattered, so think again
Your words are your weapons, I'm rendered defenseless, yeah

Don't you talk to me like that
Don't you talk to me like that
Don't you talk to me like that
Don'tcha, don'tcha, don'tcha, don'tcha

Don't you talk to me like that
Don't you talk to me like that
Don't you talk to me like that
