

Statue of a Fool

Will Downing

Somewhere there should be for all the world to see a statue of
a fool made of Gold. An image of a man who let love slip through
his hands and left him to stand here all alone.

So build a statue and oh build it high so all the world can see
. and inscribe the worlds greatest fool, and name it after me.

And there on his face a gold tear should be placed to honor eve
ry tear he shed. And i think it would show, and everyone would kn
ow, concealed inside is a broken heart.
