Wishing On A Star

I'm wishing on a star To follow where you are I'm wishing on a dream To follow what it means, yeah, yeah, yeah, yeah, yes

I'm wishing on a star To follow where you are I'm wishing on a dream To follow what it means, yeah

And I wish on all the rainbows that I see I wish on all the people who really dream And I'm wishing on tomorrow praying that it comes And I'm wishing on all the loving we've never done

I never thought I would see A time when you would be So far away from home So far away from me

Just think of all the moments that we have spent I just can't let you go, for me you were meant But I didn't mean to hurt you but I know That in the game of love you reap what you sow

And I, I feel it's time we should make up baby I feel it's time for us to get back together Make the best of things, oh baby When we're together yeah, I do, whether or never, my baby

I feel it's time for us to make up baby I feel it's time for us to get back together Make the best of things oh baby When we're together whether or never

I'm wishing on a star To follow where you are I'm wishing on a dream To follow what it means

And I wish on all the rainbows that I see And I wish on all the people we've ever been And I'm hoping on all the days to come and days to go And I'm hoping on days of loving you so, yes I, yes I am

I'm wishing on a star To follow where you are I'm wishing on a star And I'm wishing on all the rainbows that I see, yeah

I'm wishing on a star Yeah yeah yeah
