

Never Give In

Will Hoge

Some people say things that they don't ever mean
Some people say things they want to believe
Life is a walk on a razor thin line
Somewhere between the truth and a lie

All the years and the tears that I've seen in your eyes
And I know that you've seen the darkness in mine
We always knew what we both had to lose
So look right in my eyes and hear what I'm saying to you

Whoa, whoa, let the hard times come
We're standing together, no, we'll never run
Let her come back again and again
No, we'll never give in

Somebody told me a long time ago
Love, it ain't easy and now we know
The highway is littered with love disappeared
All the others have fallen, girl, but we're still here

Whoa, whoa, let the hard times come
We're standing together, no, we'll never run
Let her come back again and again
No, we'll never give in
No, we'll never give in

Whoa, whoa
Let the hard times come
We're steady together, no we'll never run
Let her come back again and again
No, we'll never give in
No, we'll never give in
No, we'll never give in
