

Pocket Full Of Change

Will Hoge

Another day on the road
Got a thousand miles to go
Into another show
Into a town that we don't know
I probably should have stayed in school
But I'm here just like a fool
Bangin' on a cheap guitar
Trying to catch a shooting star
I've got a pocket full of change
But everything's the same
A man can go insane trying to make it in this game
I've got a pocket full of change
Well now the show flies by
And I feel like I could die
But sweating blood and beer won't stop this ringing in
my ear
There's this girl from out of town
Says she wants to lay me down
And treat me like a king
Check it, see if she's 18

I've got a pocket full of change
But everything's the same
A man can go insane trying to make it in this game
I've got a pocket full of change
And in the morning it's the same old thing
An ounce of pleasure to get over a pound of pain
Well thank you ma'am
I hope I see you soon
I think that maybe we'll be back here again in June
And after every show we play
The people stop and say
The thing they want to know
Why ain't ya on the radio
Because the man in Hollywood
Says that we ain't any good
And won't give us any money
Cause we play and talk funny
I've got a pocket full of change
And everything's the same
A man can go insane trying to make it in this game
I've got a pocket full of change (4x)
