

# Going My Way

Will Young

In time gone by, I lost my will  
To try and find a clear way through  
Now, it's been a while  
Since I asked myself what to do  
It's been a while since I played the fool  
Cause they said "Raise your game, leave the shame  
In this place where you will remain  
Unless you save your soul."

Now it's going my way  
Forget the time that I did then  
Now it's going my way  
I look and everything's OK  
I've got nothing much to say except  
The life that I now lead  
Is going my way  
Going my way

It's been a while since I spent the day  
The whole day wrapped up in my dreams  
It took a while upstaging misery  
It isn't all it seems  
Now I smooth my hair, feeling tight  
I'm getting into something right  
Living beyond those days

Now it's going my way  
Forget the time that I did then  
Now it's going my way  
I look and everything's OK  
I've got nothing much to say except  
The life that I now lead  
Is going my way  
Going my way

I don't understand how it came to  
(How it came to)  
I don't understand those depths of despair  
(Those despairs)  
I don't understand how it came to  
(How it came to)  
I don't understand reaching that despair  
(Reaching that despair)

Now it's going my way  
Forget the time that I did then  
Now it's going my way  
I look and everything's OK  
I've got nothing much to say except  
The life that I now lead  
Is going my way  
Going my way

Now it's going my way  
Forget the time that I did then  
Now it's going my way  
I look and everything's OK

I've got nothing much to say except  
The life that I now lead  
Is going my way  
Going my way

Cause I've settles my mind

Settled my mind
