

# Stronger

Will Young

Life  
Has a funny way of trying to make  
You a certain type  
Making it hard  
Yeah, life  
Is feet firmly on the ground  
With a fear of flight  
It's always too far

It only makes me stronger  
When you say I can't do it  
I'll work that bit harder  
When you say it's not within my grip  
The barriers - I'll break them down  
I'll prove myself, I'll stick around  
I'll get through it all somehow  
Nothing's unreachable

Life  
Is full of all these empty words  
In perfect rhyme  
When they don't make no sense  
Resigned  
To all of these doubts and nerves  
You want first place  
But you take second best

It only makes me stronger  
When you say I can't do it  
I'll work that bit harder  
When you say it's not within my grip  
The barriers - I'll break them down  
I'll prove myself, I'll stick around  
I'll get through it all somehow  
Nothing's unreachable

Oh, it's just a state of mind  
If you set yourself up to fall  
You'll never get there at all  
All you've got to do is rise  
It takes more to break me than a wave or two  
Whatever set to test me gonna make me through

It only makes me stronger  
When you say I can't do it  
I'll work that bit harder  
When you say it's not within my grip  
The barriers - I'll break them down  
I'll prove myself, I'll stick around  
I'll get through it all somehow  
Nothing's unreachable

Don't hide  
Don't cover up what fuels you  
Deep inside  
It carries you on  
Go find

That dream you dreamt about  
Each and every night  
Before it's gone

Cause you don't understand how I feel  
You don't understand this is real  
It's life  
Gone  
Yes, it's life  
It's gone
