

# Compromising Me

William Beckett

Early in the morning, feet stuck underground  
Gotta fix my cup of caffeine, then I'm turning things around  
Climbing up the mountain, a piano on my back  
Gotta cut it loose, throw away the noose and forget about the past

I know you're gonna say I'm not cool enough  
Tell all your friends I screwed it up  
I could give two shits, just let me breathe

I don't, I don't care what your saying about me  
No I don't care  
I don't, I don't care what you think about me  
No I don't care  
Well I can't let you be this constant compromising me

(Comatose bones in the silicon drones)

Early in the morning, feet stuck underground  
Gotta fix my cup of caffeine, then I'm turning things around, yeah  
Climbing up the mountain, a piano on my back  
Gotta cut it loose, throw away the noose and forget about the past

I know you're gonna say I'm not cool enough  
Tell all your friends I screwed it up  
I could give two shits, just let me breathe

I don't, I don't care what your saying about me  
No I don't care  
I don't, I don't care what you think about me  
No I don't care  
Well I can't let you be this constant compromising me

(Comatose bones in the silicon drones)

Leaving it behind me, snake skin in my tracks  
The venom could have killed me, I sucked it up and spit it back  
When you finally close the window, you find an open door  
But its up to you to walk right through and forget about before

I know you're gonna say I'm not cool enough  
Tell all your friends that I screwed it up  
I could give two shits, just let me breathe

I don't, I don't care what your saying about me  
No I don't care  
I don't, I don't care what you think about me  
No I don't care  
Well, I can't let you be this constant compromising me

Comatose bones in the silicon drones  
Drowning and drowning and drowning into deep doubt  
Comatose bones into silicon clones  
Drowning and drowning and drowning into deep doubt
