

Planet Earth

William Shatner

Only came outside to watch night fall with the rain
I heard you making patterns rhyme like
Some new romantic looking for the TV sound
I'll see you're right some other time love

Look now look all around there's no sign of life
Voices another sound can you hear me now this is planet earth
You're looking at planet earth
Bop bop bop bop bop bop bop bop this is planet earth

My head is stuck on something precious let me know
If you're coming down to land is there
Anybody out there trying to get through
My eyes so cloudy I can't see you

Look now look all around there's no sign of life

Voices another sound can you hear me now this is planet earth
You're looking at planet earth
Bop bop bop bop bop bop bop bop this is planet earth

Look now look all around there's no sign of life
Voices another sound can you hear me now this is planet earth
You're looking at planet earth
Bop bop bop bop bop bop bop bop this is planet earth
Bop bop bop bop bop bop bop bop calling planet earth
Bop bop bop bop bop bop bop bop looking at planet earth
Bop bop bop bop bop bop bop bop this is planet earth
