Bring It On Home

Willie Dixon

Baby, baby I'm gonna bring it on home to you

I done bought my ticket, I got my load Conductor done hollered, all aboard Take my seat and ride way back And watch this train move down the track

Baby, baby I'm gonna bring it on home to you

I think about the good times I once have had Soul got happy now, my heart got glad I think about the way you love me too You can bet your life, I'm comin' home to you I'm goin' home

I'm gonna bring it on home, now I'm gonna bring it on home, now I'm gonna bring it on home, now Gonna bring it on home Bring it on home to you
