

Evil

Willie Dixon

I'm at long way from home
I can't sleep at night
I grabbed my telephone
You know
Something just ain't right

It's evil... hey
Look what is evil gotta run
Yes it is baby
You know I'm warning
You brothers
You better watch your
Happy home

Yes I'm at long way from home
I can not sleep at night
I got a call on my phone babe
That just ain't right
