

Walking the Blues

Willie Dixon

Man, slow down.
we'll get there, take your time, don't walk so fast
stay on your roller
i don't blame people
saying "rocking the blues"
walking the blues
'cause man, this is it.
Now i think i'll relax,
that's the way to relax..

Now watch this,
boy, is it hot today!
All you gotta do is put
one foot in the
And keep on walking,
Walking the blues.

That's what i call ????
I hope my old lady is home,
when i get there.
All this walking,
i don't need my mother-in-law,
i mean my wife, my mother-in-law,
she's always there.
so we'll just keep walking on.
