

# Old Fashioned Love

**Willie Nelson**

Got that old fashioned love in my heart  
And there it will always remain  
Like an ivy clinging vine clinging closer all the time  
Through these years and these tears just the same

Got that old fashioned fate in my heart  
And nothing can tear us apart  
Dry land may turn to sea but there'll be no change in me  
Got that old fashioned love in my heart

Got that old fashioned love
