

I'm Not Tired

Wilson Pickett

Where you lead me, you know I'll follow, yes, I will
Whatever you tell me, ah, that's what I'll do, all right
I've been lovin' you, baby, for a long, long, long time
And I'm not tired, honey, you know I'm not tired

If you make just one step, you know I'll make two, yes, I will
Just give me a chance to prove my love to you, all right
I've been lovin' you, baby, for a long, long, long time
And I'm not tired, honey you know I'm not tired

All of these years I've been by your side, yes, I have
Not even once have I stopped to think about my own pride, oh no
I've been lovin' you, baby, for a long, long, long time
And I'm not tired, honey you know I'm not tired
Gonna keep on lovin' you for the rest of my days, baby
Honey, I'll never never get tired

All of these years I've been by your side, yes, I have
Not even once have I stopped to think about my own pride, oh no
I've been lovin' you, baby, for a long, long, long time
And I'm not tired, honey you know I'm not tired
Gonna keep on lovin' you for the rest of my days, baby
Honey, I'll never never get tired
