

Reason To Breathe

Wingnut Dishwashers Union

Well I hope that this voice of mine well it just leaves
Because lately I just don't know what to believe
You know I don't wanna sing a song to you
Unless I know it's the truth
But the truth is that these days
I just don't know what to do
Well I hope that these hands of mine
They fall off soon
Because lately all they construct are lonely tunes
And well I think you know as well as me there's enough songs of
misery
And what I need is a song that can give me a reason to breathe
Yeah-ha-ha
Just give me a reason to breathe
Yeah-ha-ha
Just give me a reason to breathe
