

Any Time You Find

Wipers

I believe the time is ready I believe we got it narrowed down But
ut time is your only exception There's no better time than any
time I've found

Watching thru your eyes you see to wonder What is really going
around But will you find a reflection I'll be found anytime - A
nytime you find

I believe the time is ready I believe we got it nailed down But
time is your only exception I'll take anytime - Anytime you fi
