

## Coming Down

Wipers

It's on my mind yeah  
Every single time  
When I think about it  
I think I'm losing my mind  
My mind  
My Mind  
Coming down  
Down  
Down  
Down  
Down

Your Mind spins around yeah  
At two thousand miles an hour  
You can't be caught  
Any time you fly  
You fly  
You fly  
Coming down  
Down  
Down  
Down  
Down

It's on my mind yeah  
Every single time  
When I think about ya  
I think I'm losing your mind  
Your mind- Your mind  
Coming down -Down-Down-Down-Down
