

## A Bargain at 3 and 20 Yeah!

Wire

Attempts to fly are welcome... They attract a crowd willing to pay for a miracle. If you're homeless I know a roof you can jump off. You're got a cat and I've got a dog that climbs trees. I nevitabe's too late. Yes is a bargain! No's a turn off! You either live or... Your edam. You either stretch or... You get stiff. Enjoy the joyride!

Deterministic, anti-ballistic, not too drastic, ritualistic, operatic, automatic, quite grammatic, seldom static, intellectual, not ineffectual, fairly eventful, sometimes pitiful, over critical, unpredictable, semi-stable, fairly-able, unavailable.
