

Leaf And Stream

Wishbone Ash

Dm **Dm7** **Dm** **Dm7**
Find myself beside a stream of empty thought,
F6 **F** **F6** **Fmaj9**
Like a leaf that's fallen to the ground,
Gm **Gm6 Gm7** **Gm** **Gm6 Gm7**
And carried by the flow of water to my dreams
Dm
And woken only by your sound.
Dm **Dm7** **Dm** **D7sus4**
Alone I've walked this path for many years,
F6 **F** **F6** **Fmaj9**
Listened to the wind that calls my name.
Gm **Gm6 Gm7** **Gm** **Gm6 Gm7**
The weeping trees of yesterday they look so sad,
Dm **DmDm/EDm/F**
Await your breath of spring again.
Gm **Gm6/F** **Gm7** **Gm** **Gm6 Gm7**
Far beyond the hills, where earth and sky will meet again,
Dm **Dsus4** **Dm** **DmDm/EDm/F**
Are shadows like an opening hand.
Gm **Gm6/F Gm7** **Gm** **Gm6 Gm7**
Control the secrets that I've yet to find, and wonder at
Dm **Dsus4 Dm Am**
The light in which they stand.
