

# No Easy Road

Wishbone Ash

Rock 'n roll keeps dragging me  
Where I don't know and you can't see  
Cities keep rolling by and by  
Twist my arm and sting my eye

Point me in the right direction  
Stamp your feet and shout  
We can laugh and play around  
Be best friends right now

Watch me join the circus  
Watch me steal the show  
There ain't no easy money  
There ain't no easy road

Buy me, pay me, wonder why we  
Stumble across the land  
Don't fail for me, I can't fail for you  
We start to understand
