

## People in Motion

Wishbone Ash

I'm at a station  
Trying to kill time.  
I watch the people  
They amuse my mind.  
"Where are they going?  
Where have they been?  
Has she got a fast car?"  
I ask myself within.  
How many times do you stop and wonder  
What makes the world spin around?  
But then, time is your freedom  
You just do what you've got to do.

People in motion  
In motion  
People in motion.

I'm taking my time  
I'm taking it easy,  
But the pace is never too slow.  
I see a crying child  
But nobody cares  
All too busy rushing everywhere.  
How many times do you stop and wonder  
What makes the world spin around?  
But then, time is your freedom,  
You just do what you got to do.

People in motion  
In motion  
People in motion.
