

Valediction

Wishbone Ash

Dm B C F
Breathing is a sin they say
F C B C
Loneliness the price to pay
Dm B C F
Sad for you I go once more
F C B C
I'll dry my eyes on a distant shore

Dm B C Dm
No way of freezing a rising tide
Dm B B Am
No way of keeping you by my side
Dm B C Dm
Like a bird I'll fly high
Dm C B Dm
Guarding over this love of mine

Dm B C F
A room of trust a room of fears
F C B C
A room of laughter with a few sweet tears
Dm B C F
There we lay that sunny dawn
F C B C
Calm but helpless as we lingered on

Dm B C Dm
No way of breaking the march of time
Dm B B Am
No way of keeping our love sublime
Dm B C Dm
Like a bird I'll fly high
Dm C B Dm
Watching over this love of mine

Dm B C F
Many times we hurry by
F c B C
Lose our problems in a knowing smile
Dm B C F
Many days were swept along
F C B C
Left unnoticed as our love grew strong

Dm B C Dm
Believing each of us would always know
Dm B B Am
Believing one of us would never go
Dm B C Dm
Like a bird I'll fly high
Dm C B Dm
Watching over this love of mine
