Within Temptation

1. **Dmi** **C** **Dmi**
The world seems not the same
 Emi **Ami** **G** **F**
though I know nothing has changed.
 Dmi **C** **Dmi**
It's all my state of mind
 Emi **Ami** **G** **F**
I don't leave it all behind.

Dmi **Emi**
Have to stand up to be stronger.

Ami
R: Have to try to break free
 F
from the thoughts in my mind
use the time that I have
 Dmi **G**
I can say goodbye.
 F
Have to make it right.
 Ami
Have to fight, cause I know
 F
in the end it's worthwhile
that the pain that I feel
 Dmi **G**
slowly fades away.
 F
It will be alright.

2. I know, should realise
time is precious, it is worth while.
Despite how I feel inside
have to trust it will be alright.

Have to stand up to be stronger.

R: Have to try...

Emi **G**
*: Oh, this night is too long
 D **Hmi**
I have no strength to go on.
 Emi **A** **Hmi**
No more pain, I'm floating away.
 Emi **G**
Through the mist I see the face
 D **Hmi**
of an angel, who calls my name.
 Emi **A** **Hmi**
I remember you're the reason I have to stay.

R: Have to try...
