

# Fair Maiden Mine

Wizard

Ulda

Ulda, sweetest of fair maidens  
in Gods own house we met  
expiation was what I searched  
but love I found - in you!

We danced in the woods  
two hearts beating alike  
a bliss the almighty gave  
but darkness struck again

Fair Maiden mine  
forever we shall love  
but mind the devils touch  
for he comes to get us

When all is good, duty calls,  
and honor makes demands  
my sword and life for god  
I must bring to the fight

When evil stirs in darkest times  
no love can stay alive  
yet never will my heart forget  
what your face looks like

Fair Maiden mine  
forever we shall love  
but mind the devils touch  
for he comes to get us

Through blood and sin I must persist  
so I can return to you,  
my wife, my friend, my lover  
but your mind isn't true

An evil witch has brought you down  
to hellfire and sulfur smell  
and raped your mind to lay inside  
a story so untrue

Fair Maiden mine  
forever we shall love  
but mind the devils touch  
for he comes to get us

you cooked a meal,  
of satans making  
sweet but oh so rotten  
with meat that is forbidden

and while the old hagr  
makes me pay for sins  
I did not know  
I think about my son
