

## Stay Wild

Wizo

Oh, no no no  
All the things they told me  
just didn't work out for me  
Go to school, go to work  
Get money and a family and I know  
Even though I tried  
I couldn't keep up with failures  
so I better do what i'm feeling  
with a life with lucky dreaming 'til I die  
I'd rather stay lonely than stay poor  
But i'll stay wild until the day i'm dying  
Wild, I'll stay wild, I'll stay wild until I die  
All the things they told me  
didn't mean anything to me  
Stay at work to survive tomorrow  
and not today, Hey hey hey  
So I don't give a damn  
if they're all looking down on me  
I still better do what I'm feeling  
with a life with lucky dreaming 'til I die  
I'd rather stay..  
Stay wild..
