

Unholy

Wolfgang Gartner

Feels so good to be
Said feels so good to be
Said feels so good to be
Unholy

Hallelujah Amen
Me and my voodoo queen (ye-aaah!)
Are going up Mt. Sinai
Preaching all night
She got me preaching all night

Feels so good to be
Said feels so good to be
Said feels so good to be
Unholy

Feels so good to be
Said feels so good to be
Said feels so good to be
Unholy

Float me down your river
Let me get to your sea
I may be blind, but I see your color
Go ahead, take advantage of me

Feels so good to be
Said feels so good to be
Said feels so good to be
Unholy

Feels so good to be
Unholy, unholy
Gotta be unholy (oooh-ah!)
Gotta be, gotta be

Feels so good to be
Said feels so good to be
Said feels so good to be
Unholy, unholy
